We owned Red Dot's dam, Dancin Dottie, briefly in 2021. After we sold her, we realized we really wanted her genetics in our herd so we asked Kurt Twining of Silver T Longhorns if he was willing to part with her daughter Red Dot. Fortunately for us, he was, and we are happy to welcome this very fine Call of Duty heifer to our herd. She measured over 90" ttt at just 4 yrs 4 months, with a desirable lateral horn set (currently projecting to over 99"
